Application

- We see in this chapter a picture of heaven. God is on the throne, receiving the glory and honor and thanks due to Him. How much of your life is spent with this eternal perspective that God is fully in control on the throne? Therefore, how much of your life is spent praising and glorifying the Lord for Who He is and what He has done?
- Pray that you would have this eternal perspective of the Lordship of God.
- Practice praising God for His Lordship! We're going to be doing this in heaven; you might as well get started now!!!
