Application

- We see in this chapter the beginning of the unraveling of the world in the Day of the Lord's wrath. And yet, we see 2 constants in v. 16: The Lord is on the Throne, and the Lamb lives. In a state of rebellion, this is absolutely terrifying (as His wrath is poured out). In a state of obedience/mercy, this is absolutely comforting (as His Lordship is clear and comforting). Do you respond to His Lordship with fear or with comfort?
- Remember that, regardless of what you are experiencing right now (no matter how difficult or chaotic), the Lord is still on the Throne, and the Lamb is still your Savior. And be comforted!
