Application

- We see in this chapter that the Lord takes care of those who are His. From the delaying judgment until His servants are sealed, to the Lamb shepherding them and God wiping away their tears, the Lord takes great care of His own! Do you live in the realization of this truth? Do you remember that the Lord takes care of those who are His; and if you are His, the Lord is therefore taking care of you?
- Pray that you would have the eternal mindset that your Shepherd and God has taken, is taking, and will take great care of you!
