Application

- In this chapter, we see that the accuser of the brethren is overcome by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death. As the enemy accuses you and brings up past forgiven sin or tries to focus on your guilt rather than His ransom payment, do you focus on the blood of the Lamb and how He has saved and sanctified you?
- Pray that you would focus on the Lord's victory over sin and death rather than your own shortcomings!
