-
-
-

34. What is this winepress called?

35. Where is the winepress trampled?

36. How far and how high does blood come?

Application

- Of course, this is a sobering chapter! And yet, there is something exciting and beautiful about the purging of sin and wickedness. In our lives, we can choose to look at the Lord's refining process as the process of a beautiful cleansing from sin. Do you view His pruning process in your life as an ultimately good thing, or does the temporary discomfort steal the focus?
- Pray for an eternal mindset of the beauty of removing wickedness and sin!
