Application

- In the midst of the pronouncement of destruction of this wicked city, a voice from heaven calls out for people to come out of her. Even near the end here, the Lord is giving people a chance to remove themselves from the wickedness. Is there any area of your life that you hear the Lord calling for you to come out of? Is there any activity, group of friends, etc. That He is urging you to escape from?
- Pray for the Lord to give you the strength to flee from any wickedness with which you associate yourself!
