Application

- In this chapter, we see the absolute authority of the Lord as he triumphs over the devil, death and Hades. He also judges the dead and separates based on whether or not an individual is written in the Book of Life. None of this is a remote challenge for Him! Do you realize the total authority our Lord has over life and death and the enemy? In the midst of difficult circumstances, is it difficult to remember that the Lord is in control?
- Pray for the eternal perspective of the authority of the Lord.
- Make a list of everyone you know who may not know Jesus as their Lord and Savior, and pray for the boldness to preach the Gospel to each and every one of them!
